

## A USA Swimming Team

Dear AquaSol Parents and Members:

As our organization grows and we continue to expand our programs, we seek to establish or clarify our policies. Our policies help to guide the organization and ensure continued success. One of the first areas to be addressed is parent behavior - specifically, what type of behavior is expected of swimming parents.

AquaSol is fortunate to have highly experienced, professional coaches working to develop our children into better swimmers and more importantly, disciplined people. As parents, it is absolutely essential that we give our coaching staff the respect and authority they deserve to run our swim team. Our coaches are hired for that purpose.

### **AquaSol as an organization highly encourages the following parental behavior:**

- Open communication between parents, swimmers and coaches emphasizing goal-setting and focusing on the performance expectations of both the swimmer and the parents
- Meeting with the coaches/swimmers/parents during normal operating hours to discuss issues
- Positive reinforcement of all swimmers in all situations - team spirit, team loyalty
- Parental involvement on the Board of Directors and in organizing and running of meets and other team events

### **AquaSol as an organization will not tolerate the following behavior from parents:**

- Coaching your children at practice or during meets, that is the coach's job
- Interrupting or confronting the coaching staff on the pool deck during practice or meets
- Abusive language towards coaches, swimmers, parents, officials and your own children
- Any behavior that brings discredit or disruption to our swimmers and our organization

Enclosed is a Parent Code of Conduct. The Code was developed as a standard to emphasize our organization's commitment to making everyone's involvement with our club a positive experience.

Sincerely,

Steve Skidmore  
Head Coach
